Digital Identification Solutions AG Appoints New CFO

Stuttgart, 30th September 2011 (A0JELZ) – Digital Identification Solutions AG (DISO), a leading international ID solutions provider, announces a change on the management board: On 28th September 2011 Fabrizio Armone was appointed as new CFO.

Fabrizio Armone is an experienced manager with a distinct international profile. He joins DISO AG from Azimut Group, Italy's largest independent asset management company. At DISO, he will be responsible for the Finance and Investor Relations divisions. In addition to his Italian mother tongue, Fabrizio Armone is fluent in several other languages, including German.

'I have known Fabrizio for many years, and I am delighted that he agreed to join us as new CFO', comments Sandro Camilleri, CEO of DISO AG. 'He is the perfect fit for the job – not only on account of his profound financial experience, but also because of exceptional cultural and language skills', adds Camilleri.

'I greatly look forward to my new role: DISO is superbly positioned in the marketplace and offers tremendous growth opportunities also thanks to its ongoing integration process with Matica System', says Fabrizio Armone.

The Management Board

About Digital Identification Solutions

The Digital Identification Solutions Group is a global provider of advanced identification solutions with a worldwide install base of more than 11,000 systems. In October 2009, the Group introduced to the world market the latest *EDIsecure*[®] XID Retransfer Printer generations for distinct Business Line segments, as well as a much enhanced Professional Line Portfolio in combination with new Inline Lamination Modules. The Professional Line Portfolio will support multiple new modules in the forthcoming future, as well as the revolutionary LCP 9000 Laser Color Personalization System. The company has its own sales, marketing, logistic and support centers in Germany, the United Arab Emirates, Singapore, China, the United States and Mexico. Together with its vast network of certified partners, Digital Identification Solutions is in a position to deliver state-of-the-art solutions virtually anywhere in the world. The company combines

cutting-edge technology, extensive industry know-how and an impressive array of references in the private and public sector.
